		CONTEST PAPERS : OP1-OP21
Chairperson 04.15 pm to 05.30 pm	:	Dr. Jomy Augustine , Dept of Botany, St.Thomas College
		CONTEST PAPERS : OP24-OP48

List of candidates (Best oral presentation)

SI No.	Code No.	Name	Title of the paper
1	OP 1	Joseliph Abin	Bird fauna as an indicator to urban biodiversity in Thevara, Kochi
2	OP2	Agnita Sharon E	Restoration of wetlands in Pallikkarandai- a case study
3	OP7	Asalatha PK	Study on spider fauna(Arnae:Arachnida) of Pookkode Lake, Wayanad, Kerala
4	OP 6	Arun T Ram	Biodiversity of Marine Cyanobacteria from Different Mangrove Environments of Kerala, India
5	OP8	Aswathi K	Distributional patterns and microhabitat preferences of Scorpions (Arachnida:Scorpions) in Kerala
6	OP12	Haripriya Srinivasan	Ethnography, challenges and threats to the jellyfish fauna of Pulicat Lagoon
7	OP16	Nayana Prakash	Assessment of biodiversity of five major lakes in Nanjangud Taluk, Karnataka, India
8	OP18	Nataraj P	A study on diversity of Spider fauna in Maruthamalai foothills, Western Ghats, South India
9	OP19	Rajesh L	Opening the Pandora's box : A study on the diversity of freshwater crabs of Kerala, India.
10	OP20	Arathy AR	Diversity of Bivalve molluscs along West Coast of India
11	OP 21	Prakash Chandra Mardaraj	Threats and challenges of the Sloth Bear Conservation in a human dominated landscape at Rajnilgiri, Odisha, Eastern India
12	OP22	Prasanthkumar S	Diversity of fast growing algae of bloomed temple ponds in Kerala
13	OP24	Ratheeshkumar M	Phytoplankton assemblages and diversity in Kavaratti Lagoon, Lakshadweep Archipelago, India
14	OP26	Roshni K	Status of Alien fish invasion in Vembanad lake- a case study

15	OP27	Sharath SP	Floristic diversity, threats and restoration of Myristica Swamps in central Western Ghats, Karnataka
16	OP28	Shivaprakash	Biodiversity in and around Kalenjimala Reserve Forest of Vittal Region, Dakshin Kannada, Karnataka
17	OP29	Sudheep NM	Micro fungal flora mapping of highly threatened Myristica swamp ecosystems of Kulathupuzha, South Western Ghats, Kerala, India
18	OP32	Jaishanker R	BIOTA- a mobile computing platform for biodiversity research
19	OP40	Jayaprabha JS	UASB reactor coupled contact bed process for the clean extraction of banana pseudostem fibers
20	OP42	Lekshmi N	Bioprospecting of marine sponge associated fungi for antioxidant and neuroprotective activity in raw 264.7 cells
21	OP46	Shameer PS	Biodiversity and sustainable utilization of the genus Garcinia L. (Clusiaceae) of the Western Ghats
22	OP48	Shahina NK	Perception on Mushroom ecology in Kattunaika tribes
