

**24<sup>th</sup> FEBRUARY 2017, GOVT. GUEST HOUSE, THYCAUD**  
**POSTER PRESENTATION 11.00 AM TO 03.00 PM**

**List of candidates for poster presentation**

<b>Code No.</b>	<b>Name</b>	<b>Title of the paper</b>
PP01	AS Lubaina	Insight of oxidative burst and its mitigation in Sesame- <i>Alternaria</i> interaction
PP02	Aneesha U	Impact of dietary supplementation of ascorbic acid on silk cocoon production in <i>Bombyx mori</i> exposed to thermal stress
PP03	Ann Mary Jacob	Shrinking of Munroe island in Kollam District, Kerala: assessing the impacts
PP04	Anto Mathew	Fast desiccation response of seeds of <i>Garcinia imberti</i> Bourd. an endangered and endemic species to Agasthyamala Biosphere Reserve
PP05	Aparna P	Mythological believes protects biodiversity - a case study.
PP06	Archana PJ	Optimization of protocols for surface sterilization of explant and increased number of shoot production in <i>Holostemma ada-kodien</i> Schult. for in vitro conservation
PP07	Arun PS	Protection of biodiversity: law and its implementation
PP08	Asha KL	Phenols in leaf tissues of <i>Musa</i> cultivars and its resistance against <i>Odoiporous longicollis</i>
PP09	Aswathy JM	LC-MS/MS analysis and fractionation of anthocyanin from <i>Begonia malabarica</i> Lam. and <i>Begonia rex-cultorum</i> ('baby rainbow') L. H. Bailey
PP10	Bhagya MV	Leaf colonising alga-phycoepeltis in different vegetation
PP11	Bindu B	Assessment of high yielding ginger ( <i>Zingiber officinale</i> Rosc.) varieties under organic nutrition
PP12	G Chitra	Evaluation of antioxidants and phytochemical screening of <i>Caulerpa peltata</i> Lamour and <i>Centroceras clavulatum</i> (Ag.) (Mont.).

PP13	Harpreet Kaur	Diversity of myxozoan parasites infecting gills of aquaculture fish in Punjab (India)
PP14	Ameena M	Competitive ability of weedy rice morphotypes against cultivated rice varieties of Kerala
PP15	Dhanalekshmy T G	Macrophyte diversity and physico-chemical characteristics of a pond in an urban area
PP16	Kurian PS	Effect of fungicides and bio control agents on the phylloplane microbial population of bell pepper ( <i>Capsicum annuum</i> L.) under protected cultivation
PP17	SG Sreelekshmi	Evaluation of primary and secondary metabolites among the morphoforms of <i>Dolichos biflorus</i> L.
PP18	Santhosh Kumar T	An entomogenous fungi in cashew having anti-cancerous properties
PP19	Greesham Murukan	Partial purification and characterization of phenylalanine ammonia-lyase (pal) from <i>Tectona grandis</i> Lf.
PP20	Greeshma GM	FTIR and RP-HPLC analysis of <i>Brachythecium buchananii</i> (Hook.) A. Jaeger and <i>Thuidium tamariscellum</i> (C. Muell.) Bosch. & Sande-Lac. bryophytes: a search
PP21	Greeshma VL	A study on the phytoplankton community structure and species diversity in Kochi estuary, South West Coast of India
PP22	Haseena Bai N	Variation of nutritional traits and seed protein profile of the f1 hybrids of wild and cultivar of <i>M. charantia</i> and comparison with the parental lines.
PP23	Karthika S Menon	Growth maximization studies of <i>Chlamydomonas eudorinae</i> in bolds basal medium under varying levels of pH.
PP24	Kavitha CH	Laser induced chlorophyll fluorescence spectra of <i>Dicranopteris linearis</i> (burm.f.) underw subjected to desiccation and rehydration stress
PP25	Medha Nayak	The Jumbo Jigsaw': a Case study of student's perception on human-elephant conflict in Balasore, Odisha, India.
PP26	Meenu Krishnan VG	Evaluation of toxicological and hepatoprotective potential of the purified protease inhibitor from <i>Solanum aculeatissimum</i> Jacq. on wistar rats
PP27	Mohandas K	Agrobiodiversity in Kerala: prospects and implications for sustainable development

PP28	Muhammed Asif M	Heat tolerance test by using dairy search index in Wayanad dwarf cattle of Kerala and its adaptability to climate change.
PP29	Muhammed Asif M	Dairy farmers' perception and adaptation to climate change: a case study of Wayanad District in Kerala.
PP30	Mumthaz TMV	Infestation of parasitic copepods, <i>Lernanthropus</i> sp. on pony fishes (Fam: Leognathidae) of Malabar Coast, Kerala, India.
PP31	Neethu G Pillai	Inquisition on the tolerance limit of <i>Excoecaria agallocha</i> L. to certain hydrogeochemical parameters in pursuit of their introduction in heterogeneous coastal environments.
PP32	Nesmi Abdul Khader TK	Diversity of leafhopper fauna in rice and vegetable ecosystems of Thrissur District, Kerala
PP33	Nidheesh KS	<i>Glomus microcarpum</i> : a dominant arbuscular mycorrhizal associate of banana in South India
PP34	Nikhila GS	In vitro tuberization and quantitative evaluation of phytochemicals of medicinally potent <i>Gloriosa superba</i> L.
PP35	Bosco Lawrence	Comparison of polyphenolic level and In vitro antioxidant effectiveness of selected <i>Osbeckia</i> species from different habitats
PP36	S Premjith	Conservation and management issues of AVM Canal - a Travancore heritage for future generation
PP37	M Priya	Population dynamics of protozoa in anaerobic wastewater treatment systems
PP38	Reshma Raj T	Effect of foliar treatments on non -target microorganisms on the phylloplane of cucumber
PP39	Revathy S	Cryopreservation of fish sperm- a viable tool for sustainable aquaculture and biodiversity conservation
PP40	Sangeetha G	In vitro root induction for conservation of <i>Pseudarthria viscida</i> (L.) Wight & Arn. And evaluation of its antioxidant potential
PP41	Sreedevi CS	Influence of change in floral traits on the behaviour of flower visitors and rate of visitation
PP42	Sudheep NM	Freshwater fungi from diverse substrates of fresh water myristica swamp ecosystem of South Western Ghats, Kerala, India

PP43	Thushara T Chandran	Estimation of carotenoid pigments in marigold as influenced by different species, parts and pre treatment methods.
PP44	V Dinesh	Dependence of entomofauna on the water quality of the semi-urbanized Killi River, South Kerala, India
PP45	Veena CR	Vital role of <i>Moringa oleifera</i> in aquatic ecosystem
PP46	Vinaya Rao	Fungal diversity of Belmar Region in Udupi District of Karnataka
PP47	Vishnu T	Linkage between bio-resources and human livelihood: a case study on Muthuvan, Mannan and Hill Pulaya Tribes of Idukki District, Kerala
PP48	Yoosuf CT	Effects of climate change in india: causes and actions based on scientific methodology of resistance
PP49	Saraswathy V	Creating massive awareness on potential of bioresources against envenomation with a note on conservation – a venom informatics approach
